RESEARCH Support

Research Data Management Service Group (RDMSG)  
data.research.cornell.edu

Systematic reviews  
library.cornell.edu/services/systematic-review

Geographic Information Systems  
mannlib.cornell.edu/help/research-support/research-help/gis-at-mann

Citation management  
library.cornell.edu/research/citation
INSTRUCTION

Traditional sessions on research:

library.cornell.edu/services/instruction/request

◦ Navigating Library databases

◦ Developing search strategies

◦ Locating and evaluating appropriate information

◦ Understanding the research cycle

◦ Online research guides & tutorials for specific assignments
INSTRUCTION

Nontraditional collaborations:

- Writing for Wikipedia
- Demonstration of technology & software for class projects
- Library as gallery for student work
- Makerspace: makerspace.library.cornell.edu/
